Allowable Subject Matter

1. Claims 1 and 3 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art of record is drawn to a surround sound decoder including a means for boosting the high frequency components of the surround sound signal. However, the prior art of record fails to specifically disclose the boosting device and/or means comprising a level detector, an operation portion and a signal boost portion for the surround sound channel signal, therein as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
